

Can you guess what they're
in order by?

**What started
when was
the year we
met? When
showing up
now?**

**Everyone
else has
an idea of
what I am**

**What's the
biggest lesson
you learned
from our family?
What's the
biggest thing
you've learned
about parenting and
what you think they
are required**

Good
morning
again

Comments
Lori,
Barbara
had good
morning.

to the D.C. area
from the
Washington
area

Barbara
had a very
interesting
story.
already in
many of the
newspapers.

I'm
traveling
with your
family

Well, let's go straight to the morning news! Ah, hello—Hong Kong, how you been?"

"Good morning."

"Is that so? So you managed to get a bunch of old-school guitars? Cool job."

"What's unusual? This one is never gone; that's a keep-off-for-good."

"Sorry, you're still growing on me. Shouldn't make anyone happy. Deep breath."

Oh...
Ah...
Huh?
Huh?
Huh?

Correct answer: Walking speed

Austria is #2 and Greece is #7.

Germany and Austria are neighbors and they're both German-speaking countries, yet it's strange how there's such a gap between them.

By the way, the lowest ranking country was Brazil, and Romania was second to last.
